VOL.4

JULY 2022

Can you believe we have completed half of this year?

This year's journey so far for us has been an exciting one and talking about last month, it was an 'eventful' one for us. With Crash Technology acquiring Tek Support !!

June started with a bang for us as we got in to the final phases of acquiring Melbourne based MSP Tek Support.

Catch up with what is happening at Crash Technology

- Crash Technology acquires Tek Support
- Cybersecurity Webinar – Aug 16th
- Referral program launched ---- please refer
- MS Teams – Transform your team + Increase your productivity

As we continue to shine a spotlight on each member of the Crash Technology team, this month we're introducing – Dr Richard Ogley

Job Title:
Senior Project Coordinator

Tech Knowledge:
Networking, FortiGate Firewalls and Wi-Fi, Datto backups, Security, Unix servers, Programming

Hobbies:
St John Ambulance first responder, finance and investing.

Fun Fact: Richard has a PHD in Astrophysics

In the meantime, here's what's making news right now:

- [Crash Technology acquires Tek Support!!](#)
- [Crash Technology launches Referral Program – Get rewarded \\$\\$\\$](#)
- [Australian businesses lose 227 million to email scams](#)
- [Victorian gov agencies still in talks over digital driver's licences](#)

Crash Technology acquires Tek Support!!

Crash Technology has announced the acquisition of Melbourne based MSP TEK Support, effective 1st July 2022.

We would like to announce the acquisition of Tek Support, Melbourne based IT company with more than 40 years in our industry.

A quick brief about Tek Support, with 40 Years' experience they have been one of Victoria's longest serving managed service providers. They have specialized in delivering reliable, secure and affordable IT systems to their customers in verticals across hardware suppliers, health and community care. Current owner Rob Secombe is set to retire at the end of August 2022.

The present Tek Support Staff consisting of Richard, Ang and Adam will come onboard and join Crash Technology, making us a team of 15 with a combined knowledge of over 100 years experience in IT.

We will be operating from both locations, our Gladstone Park head office as well as our Mulgrave site office. This will give us a greater flexibility and the ability to respond to onsite events rapidly around Melbourne..

See below a couple of team photos from our EOFY team lunch at the Crash Technology – Gladstone Park Head office.

Crash Technology Referral Program

GET \$1250 FOR EVERY SUCCESSFUL REFERRAL

REFER A COMPANY AND YOU BOTH GET REWARDED

How it Works:

- Suggest a referral - introduce company and Crash Technology via email
- You get \$1250* if they become a client
- You both get a cool pair of Bluetooth earphones
- No Limit to referrals - the more you share, the more you receive!

* \$1250 to be redeemed as service across 8 hours
